JAMBOREE-ON-THE-AIR
AT WEBELOS Woods
October 15, 2011
9:AM to 5:00 PM
QUIVIRA COUNCIL

This years Jamboree-On-The-Air at WEBELS Woods will be 15 Oct from 9:00 AM to 5:00 PM. We will be introducing about 300 WEBELOS Scouts to amateur radio, with demos and actual time on the air. Camp Kanza is 20 miles south west of Hutchinson. We will be on K-Link, Hutchinson repeater 146.67 and on the Scouting HF frequencies. I can use a lot of help on the local repeaters to talk with 9 and 10 year old scouts. If someone is already talking, check back in 20 minutes or offer to take over. Please tune in and lets build a lasting interest in the hobby. I can also use a couple of helpers at the event. If anyone is interested in helping at the event, please contact me at harvey.jones@yahoo.com.

Thanks,

Harvey Jones, w0hgj
