

# "KAR" *Kansas Amateur Radio* "KAR"

October 2016 newsletter

w0oyh@arrl.net

Hi gang, Last month I asked those who read KAR to send me a email saying so. I did not get any answers. KAR back to 1999 takes up a lot of Kent's server memory. I don't know if he has a counter and tracks the number of hits KAR gets. Maybe it is time again to put KAR to sleep. Maybe do a KAR special on request only. TUNE-IN next month and "C"

I was in a walk in walk out surgery today. They used a laser to brake up 2 kidney stone and remove. I was in the ER 2 night later. I am feeling BTR today. Gotta do Oct KAR now.....

I told my wife, I use to get up and go to work now I get up and go see one of my doctors. Both took a whole day, hi hi. Lets see what our Kansas hams have for us today.....

# ARRL Midwest Director Roderick K. Blocksome KØDAS

Amateur's of the ARRL Midwest Division,

Yesterday, September 12th, the US House of Representatives passed HR-1301 - The Amateur Radio Parity Act. This is a huge accomplishment that will ease antenna restrictions for those living in home owner associations. This is a very important but first step in the law-making process.

The bill now goes to the US Senate and, as before, we need every amateur to contact their two senators and ask for their support of the bill.

There are nearly 7,000 ARRL members in the Midwest Division and we are constituents of 8 of the 100 Senators. We need you to contact your senators right away and urge their support.

Please take just a couple minutes and go to this linked website and follow the prompts:

<https://arrl.rallycongress.net/ctas/urge-senate-to-support-amateur-radio-parity-act>

Thank-you and 73's,  
Rod Blocksome, KØDAS  
ARRL Midwest Division Director

◆ Kansas Section News Summary August 2016

Silent Keys

N0WNT- Terry McDonald, Topeka  
WA0PBQ- Donald Inbody, Overland Park

-----  
August was busy in Kansas. We had our convention hosted by CKARC with lots of people and good forums. The cookies and cinnamon rolls were very good as well. N0GMT implemented a classic Van Plan and brought out a bunch of guys early that morning. WB0YWZ hosted a WX Net meeting and we had discussion on the National Parks event as well as Digital communications. Rod-K0EQH and Evelyn-WB0QYA hosted a dinner at a downtown restaurant with entertainment. Rod also conducted the QLF contest at the show. Here is Rod's official report:  
Results of the QLF -Left Footed CW- contest were:  
1st Place....Greg Cerny, WQ0P -he won last year also-  
2nd Place...Eric Boyle, N0YET  
3rd Place (runner up)..Tim Kresky, AB0S  
Judges were Rod-K0DAS and Jim-AC0E  
We had people from Goodland, Liberal, Coffeyville, as well as Kansas City attending again this year. A fun day for sure.

The QSO Party again had great participation. The event website

indicates all 105 counties were on the air and it looks like someone made a clean sweep. I didn't have as much time to put into it as I wanted but still made a handful of contacts. W0BH Explained at the convention there are many plaques and stamped certificates to be sent out, maybe you'll get one.

Wichita Area Hamfest hosted by Valley Center ARC is October 1. Riverwalk Church of Christ 225 N Waco Ave downtown Wichita. Plenty of parking in the church lot, Derby Radio Shack and D&L antenna & Accessories scheduled to be there. Opens at 8:00, testing at 9:00.

McPherson ARC and other area Hams provided support for the Mobrey Metric bike ride this summer held between Elyria and the Smoky Hill River.

A Ladies Net is being held Tuesdays at 8PM on the Derby 146.85 repeater and the Kan-Okla system. Dial it up !

Wild on Wednesday net meets at 7:30 on 147.440 and is Hosted by KB0WOW. If you are in or around Shawnee County tune in and see what happens.

Mine Creek Hamfest is set for February 4, 2017 at LaCygne.

Johnson County RAC annual auction at Ensor Museum will be October 29.

◆ Parity Act-Communications Legislation

Many of you know the Amateur Radio Parity Act, a companion to PRB-1, has passed the US House of Representatives.

This bill now moves to the Senate for their vote.

We need to keep the momentum going by contacting Senators Pat Roberts and Jerry Moran.

The ARRL has a simple fill in the blank form you may use and they will do the rest.

Here is a link to that page:

<https://arrl.rallycongress.net/ctas/urge-senate-to-support-amateur-radio-parity-act>

You may personalize the text of the message if you like. Simply click in the text box where you want to modify. Locate your browser "Undo" button first just in case.

Some of you have told me you already sent your letter, thank you.

73,  
Ron

#### JOTA Station Registration

The World JOTA-JOTI Team has started the world-wide station registration system. Please register your station at JOTA-JOTI Registration.

Make sure you read through the instructions. Registration requires that you have a scout.org username. It's a pretty simple process, explained on the sign up page. Once you have your scout.org username, you'll have full access to the registration system as well as many of the JOTA-JOTI activities that will be underway during the weekend. If you have further questions, you can review the FAQ page.

Registration will also provide you with what you'll need to participate in JamPuz, which is a code you swap with other JOTA-JOTI participants. There's further explanation at JamPuz. Please also note that participation in JamPuz is optional.

Visit <http://www.k2bsa.net/jota-station-registration/> for more information.

I'll be at the Theodor Naish Scout Reservation in Bonner Springs, KS feel free to come out a visit us at the handicraft shelter in Central Camp.

## Get Set for the SET: ARRL 2016 Simulated Emergency Test is October 1-2 Weekend

<http://www.arrl.org/news/get-set-for-the-set-arrrl-2016-simulated-emergency-test-is-october-1-2-weekend>

## Western Kansas 160 meter net

the Western Kansas 160m net will be tonight at 8pm MNT time on or near 1.960 LSB.  
tonights topic: Did you work any of the Classic Exchange?

see you on the air!

73,

Matt, KDOEZZ

PS. Barc fest is OCT 2! see you there!

Orlan;

KCONDG Sherwin on line. I again wish to thank you for your steady support of our Veterans on your KAR.

As a Veteran, I cannot express in words how good it makes me and my other Veteran friends to see that we have not been forgotten. Let me add one more item; Our Police officer, fire fighters, EMS and others that put their lives on the line every day to protect all of us.

. We need to spread this word; *Every time you meet one of these every day life saving workers. Please, honor them as*

*we have been doing with our Military Veterans.*

. *Put out your hand, saying: "THANK YOU FOR YOUR SERVICE",*

. *Having served with our Kansas Highway Patrol for 27 years, retired Sgt.. Every time they report for duty. They never know what the next call may result in. Be it {weather, accident, family problems, search and rescue, traffic stop, on and on}.*

*"THANK YOU FOR YOUR SERVICE"*

*KCONDG Sherwin*

*or SARG; EX-K102 1960 to 1987*

*or TOP, 1SG; Army USAR, Retired 1951 to 1987 --- final discharge 1994*

*Now,*

*SEEING THE COUNTRY WE DEFEND*

◆ Hello W4GFW Glen

And all NMW S.M.A.R.T. ham operators

KCONDG Sherwin, Reporting in.

Yes, we should and need to reform our SMART Ham Radio Chapter.

, I hope that you received the information that I sent forward about all the - SMART information KCONDG -- received in our last Kansas KAR newsletter.

I only have a hand held 2 meter . It works wide range here in our new reach out area here.

. I do 73's to Veterans from time to time.

. I would hope all SMART Ham operators could be reporting out the same SMART information in there areas.

. Also , SMART Hams can and should be helping with National, and Regional Parking. In some areas where our National events are held, summer storm areas of Central US, Weather watchers for SMART could be a life savor.

Am going to forward this to all NMW chapters.  
. Asking all S.M.A.R.T. Ham operators to report in, and 73's.

KCONDG Sherwin

Taskforce

◆ Please check this out . go to our S.M.A.R.T. [www.smartrving.org](http://www.smartrving.org) site. , left side scroll down to LINKS OF INTEREST.

My Kansas Ham Radio www. page will be there for all to see.  
Thank you Hams  
KCONDG Sherwin

=====

Orlan Cook, W00YH, sent Larry's List the following:

////////////////////////////////////

Orlan,

Please pass this along.

Don Inbody, WA0PBQ, long time ham radio operator in the Kansas City area, is now a Silent Key. Don signed off for the last time at 2036Z on 14 September 2016. He made his first QSO on 28 June 1966. He was 10-10 Net member #342. His son, Don AD0K, continues his ham radio legacy.

73,

Don Inbody, AD0K [don@inbody.net](mailto:don@inbody.net) (son of WA0PBQ)

=====

Orlan,

Who can I talk about taking down dad's tower? If someone wants to take it down, they can have the 50 foot Rohn tower, the quad, and the rotator. It is located in Overland Park, KS

Don AD0K [don@inbody.net](mailto:don@inbody.net)

◆ Orlan,  
Wichita lost another fine ham Sunday. Here's the obit as it appeared in today's Wichita Eagle. Not sure but you may get this from one or two others as well.

Jim - W0EB

Merle Dean Manlove, W0WFE

Manlove, Merle Dean Age 90, was born January 2, 1926 to James and Ethel Manlove. He went to his reward on Sunday, September 18, 2016. Merle attended Arkansas Elementary, John Marshall Junior High and graduated from North High School in 1944. He married Mary Barnard in 1946 and they had just shy of 70 wonderful years together. Survivors include his wife, Mary; 3 sons, Richard (Janice), Greg (Debbie), and Eric (Melody);

siblings, Don (Jeanette), Sylvia (D.G.), and Margaret; 9 grandchildren; 17 great grandchildren; 1 great, great grandchild. Merle served in the U.S. Army during WWII; and the Army Air Force during the Korean Conflict. He was a long time member of Cleveland Ave/Central/RiverWalk Church of Christ. A memorial service will be held at RiverWalk, 225 N. Waco, at 10:30 a.m. on Wednesday, September 21, 2016.

◆ Terry Lynn McDonald, NOWNT

Terry Lynn McDonald, age 62 of Topeka passed away Saturday, September 17, 2016 at Stormont Vail. Terry was born January 31, 1954 in Topeka the son of Kenneth and Joyce Griffith McDonald. He graduated with the Seaman High School class of 1973. He was an adult care taker, caring for veterans in his home. Terry had attended the North Topeka Baptist Church. He also enjoyed taxidermy, gardening, ham radios and served as a Boy Scout Master. Terry is survived by his girlfriend, Joyce Todd, two nephews, Bryan and Kyle McDonald and his two cats, Gravy and T.C.. Funeral services will be Friday, September 23, 2016 at 10:00 a.m. at the Davidson Funeral Home. He will lie in state Thursday afternoon until 5:00 p.m. at the Davidson Funeral Home. Interment services will be 2:00 Friday at the Grace Lawn Cemetery in Howard, Kansas. Memorial contributions may be made to the Humane Shelter and left in care of the Davidson Funeral Home. davidsonfuneral.com

Brother of Bill Brunkhardt, W0WJB, obituary

Benjamin Palmer Brunkhardt, 41, of Los Angeles, CA died August 30, 2016 at KU Hospital after a brief illness. He was born October 4, 1974 in Topeka, KS, the son of Polly Palmer Brunkhardt and James Lee Brunkhardt.

Ben attended The Pembroke Hill School in KCMO where he recognized his calling to cinematography and the performing arts. Ben was as talented in front of the camera as he was behind it. He attended the University of Southern California's School of Cinema/Television where he earned a Bachelor of Arts degree in film production and was a member of Kappa Sigma fraternity. He worked as a freelance cinematographer, and traveled with Sony Corporation to the Cannes Film Festival showcasing their first high-definition camera system to the industry. He enrolled in the University of California, Los Angeles, where he earned a Master of Fine Arts degree in Cinematography. He studied with many of the great cinematographers of our time, including ASC members Allen Daviau, Dean Cundy, Conrad Hall, Owen Roizman and Roger Deakins, as well as with Lazlo Kovacs and Vilmos Zsigmond at the Kodak sponsored Budapest Masterclass. Ben was known for multiple feature films, commercial videos, music videos, PSA's and short films, as well as special venue Large Format (IMAX) and 3-D productions.

Ben held a US & Canadian patent on a post-production process for Large Format motion pictures known as Large Format Negative Repurposing (LFNR) that he personally developed. He produced and photographed the first IMAX film utilizing the new LFNR process, The Persistence of Dreams, in Ford's Theater debuting it at a Large Format Cinema Association conference in LA. Ben's film was the first ever to be allowed to use Ford's Theater.

Ben's professional awards included the Student Paper Award and the Lou Wolf Memorial Award from the Society of Motion Picture and Television Engineers, and a Certificate of Distinctive Achievement in Cinematography from the Wild Rose Independent Film Festival. Ben was a member of the Giant Screen Cinema Association and the Society of Motion Picture and Television Engineers.

Ben was as passionate about his large number of friends, his dogs, the Kansas City Chiefs, his music, his views on life and his politics as he was about his profession.

He is survived by his parents, his brother, William James Brunkhardt, his beloved collies, Liberty and Patriot, his aunt, Penny Palmer Lumpkin, his cousin, Kelley Lumpkin, nephew Grayson Goodwin, nieces, Madison and Hartley Goodwin, special family friends, Jennifer Klemp, Christine Stanson and his worldwide “family of friends”.

A memorial service will be held at 10:30 AM on October 8 at Rolling Hills Presbyterian Church in Overland Park and a Celebration of Ben’s Life will be held in Los Angeles on October 29 at 2:00 PM at the USC Kappa Sigma house. Memorial contributions in his name may be made to KU Endowment/Liver Research Center, 3901 Rainbow Boulevard, Mail Stop 3012, Kansas City, KS 66160; the Dean’s Fund at the University of Southern California School of Cinematic Arts Office of Alumni Relations, 900 W. 34th Street, Suite 465, Los Angeles, CA 90089; or Rolling Hills Presbyterian Church Chancel Choir, 9300 Nall Avenue, Overland Park, KS 66207. Please indicate that donations are for the Ben Brunkhardt Memorial.

◆ This is the ONLY, 'Adams-Farwell' automobile left in existence. They were made in Dubuque, Iowa between 1890-1913. That is really unique! Crankshaft is stationary, engine spins. It never caught on, but it's fun to watch. [https://www.youtube.com/embed/Y0XbqHUI-0?feature=player\\_detailpage](https://www.youtube.com/embed/Y0XbqHUI-0?feature=player_detailpage)

## Tom's Key Strokes - WØEAJ

Denver, Co. Displaced Kansas Neighbor  
and very gud friend!

Woke up to the smell of a pine-forest fire. They have them going North of Boulder and West of Evergreen - luckily, quite a ways from our place, but still... it gets' your attention. The Sunrise was hazy and red-orange (like one on Mars), as if to remind us all of the events of 9-11... which many seem to have forgotten about.

- got two Hallicrafters SX-62's sitting in the wings, awaiting restoration (1 works), and this Winter's project.. a Hallicrafters SX-28 (left the factory in December of 1941, no less). It's been partially recapped and DOES WORK, and is aligned very well. It has one "modern" miniature IF can that I have to replace. If you can believe it, I actually found a BRAND NEW Hallicrafters IF can... FOR the SX-28 - still in the box!, via the [WWW.QTH.COM](http://WWW.QTH.COM) classified adverts. All the tubes check GREAT on a Hickock 539C (best tester ever made), but yep... the caps I have to change are the "Les Horribles" that are UNDERNEATH the RF & Mixer section, which requires disassembly of the whole section. I figure I'll do to this one, what I did to the HRO-60 receiver, done a couple of years back - replace ALL the caps and ALL the resistors, too. I "lusted" for one of these from 1958, when my
