Number of emergency operations this month: 0 Person hours 0

Total number of ARES operations this month: 8 Total Person hours 8.5

Comments:
We continued a second ARES net on the Kansas talkgroup of the DMR network. It covers the Kansas City, Basehor, Lawrence and Hays areas. As more repeaters are added to the system it will grow. The new net is immediately following the conclusion of the 2m net at 2000 Hrs on Sundays and everyone is welcome to check in. Nothing new for the beginning of the year. I am collecting information for the upcoming events this year.

JOCO ARES Congratulates NZ0F, Herb Fiddick on being appointed the state RACES officer for Kansas!

I look forward to working closely with Herb to help make RACES an effective state disaster resource once again.

Statewide leadership is critical to any disaster response organization, and I look forward to the day that Kansas will have active leaders in both RACES and ARES.
