Dec 31, 2009
from the desk of K0BXF ARRL SEC KS

ARES activity report for November 2009.

Time to give Bob WG0Q a big lift in his effort to reconstruct the ARES activities in a number of counties in the SW corner of the state, Bob accepted the challenge to look for qualified hams that could and will accept the position as Emergency Coordinator for the various counties comprising Zones 6A (Gray and Finney counties), Zone 6B (Clark, Kiowa and Comanche counties), Zone 6C (Ford, Hodgeman, Pawnee and Edwards counties), Zone 6D (Ness and Rush counties), Zone 6E (Greeley, Wichita, Scott and Lane counties), Zone 6F (Seward, Stevens, Seward counties) and Zone 6G (Hamilton, Grant, Kearny and Stockton counties). A total of 6 Zones and 24 counties. Zone 6A at last count had 71 potential hams, and is coordinated by James Douglas AC0E. Zone 6B had 12 hams, no EC, Zone 6C had 65 hams and no EC, Zone 6D had 38 hams and no EC, Zone 6E had 33 hams, EC is Rod Hogg, K0EQH, Zone 6F had 48 hams, Steve Benson N0BTH is the EC, and Zone 6G had 58 hams and Dean Krehbiel N0OMC is the EC.

Known clubs within District:
- Sand Hills Amateur Radio Club contact person K0EQH
- Southwest Kansas ARES Group contact person unknown
- Great Salt Plains (Kiowa & Pratt) contact person unknown

If there are others you know about or you have corrections please contact Bob Summers K0BXF at RSUMMBXF@aol.com or 3045 N. 72nd St, Kansas City, KS 66109 with your input.

I did not yet attempt to get a grasp as to the Repeaters that are active within the area, however I do remember someone saying effort is being made to tie them all together. Anyone wishing to help get me up to date and keep me there, on the repeater situation please do not hesitate. All Repeater Trustees should also be in contact with the state coordinator of Repeaters Brian Short at kcshorty@gmail.com

Every zone should attempt to have representation on the HF network system here in Kansas ie: sideband net, phone net, CW net, Slow speed CW net, RACES net Salvation Army SATERN net at a minimum or at least have a goal to see that representation is being made at every opportunity. Net frequencies and times on State web page:

http://www.arrl.org/sections/KS.html

ARES activity totals for November ’09 are
- ARES Zones reporting: 20
- Nets in session: 108
685 qni for month
50 msgs handled

KS Army MARS reported .... man hours of operation with,,,,, msgs originated.
KS RACES net had ....QNI and following counties represented ...,,,,,
No SATUREN report for the month activity received
Jeremy KE0MD has become the new EC for Zones 4J and 4K and Jim AJ5BS took the helm in Zone 5A.

Please send to your SEC or DEC as appropriate by 2nd of the month

The Douglas County, KS ARES group has had a fairly active 2009. We continued to support the Lawrence Half Marathon with APRS and voice communications. We also went outside of the 1B zone and lent assistance to other areas for various cycling events including the Topeka MS 150, Louisburg Cider Mill Ride, Kansas City Bikers for Babies and others. I would like to focus more on training and equipment this coming year, in an effort to prepare for future needs.

Most of the amateurs that check in to the weekly Sunday night net are drawn from our only local radio club, the Douglas County Amateur Radio Club (w0uk). The average number of amateurs checking in is about 23 per month, which is down from last year at 27 per month. We have set up a Yahoo Group called DG ARES to automate sending reminders and messages within the group. It currently has 36 registered members, up from 32 last year.

I am willing to continue for the fourth year of my appointment as EC for my zone. I have enjoyed my years in the ARES structure and am looking forward to the next year.

73,
Bill Musick
Attached is the Zone 2A report for December 2009.

Happy New Year to all!

Hope you all had a great holiday season.

30 new hams were brought on board in December by the continuing efforts of hamclass.org. Many new recruits to help fill the public service call of 2010.

The extended cold & snow have kept a lot of folks indoors and in front of their radios, or winter projects.

January is the recognition season, when we demonstrate our appreciation for the many folks who step up to fill service roles within our organization. Be sure to attend our January 11 meeting to show your support.

January is also the time that Johnson County begins its annual weather training, be sure to join the K0ECS folks and get some fantastic training on January 26.

Till then, stay warm!

NET: QCWA Ch 211 3 sessions 14 members
CAARC Repeater 2 sessions 9 members
Chanute Simplex net 4 sessions 10 members

Activity:
Dec. 3 Two CAARC members manned barriers at the annual Chanute Christmas parade. Total time 2 hours.

Dec. 11 Two CAARC/CERT members provided support for the Neosho County Health Dept. Flu Shot Clinic. Total time 4 hours.

Dec. 15 Three CAARC/CERT members attended training by Chanute City Compliance Officer for FEMA/HSA IS-700A. A mix of City government, city/county employees, Amateur Radio were involved. Total time 4 hours.

A good month of activity for a change!

6 to 8 inches of snow and bitter cold for the end of the month and start of new year have slowed everything down.

Election of new officers for CAARC.
Elections were held during the annual Christmas party of CAARC. Low attendance but great food and fellowship.

Keep warm! Happy New Year
