Comments:
We continued a second ARES net on the Kansas talkgroup of the DMR network. It covers the Kansas City, Basehor, Lawrence and Hays areas. As more repeaters are added to the system it will grow. The new net is immediately following the conclusion of the 2m net at 2000 Hrs on Sundays and everyone is welcome to check in. Nothing new for the end of the year. I am collecting information for the upcoming events in the new year.

Attached is my last 2012 EC Annual Report and my last 2012 EC SET Report.

NOTES:
1. Just as we did last year, Riley and Pottawatomie Counties participated jointly in our SET exercise; you may receive a SET report from W0EVJ, the Pottawatomie County EC.

2. After more than 25 years serving as ARES EC for Riley, Clay, and Geary Counties, I retired late last year, so these should be the last EC reports you receive from me.

3. Bill Rust, W0WJR, has accepted the responsibilities of ARES EC for Riley, Clay, and Geary Counties; you may receive EC SET and Annual Reports from him.

4. FWIW, I also retired as RACES RO for Riley County late last year, and Bill Rust, W0WJR, has also accepted the responsibilities of that position.

It's been fun, guys, but I seem to have been accomplishing less and less as the years passed by, so it's high time for some "new blood" to take over!
