Hi gang, It is my privilege to publish our EC's monthly ARES reports to their SEC which they share with you and I via KAR. Our active ECs fulfill their monthly activities with report to our SEC. Well done guys....!!!

♦ Kansas Zone 6E ARES Net Report
Total Nets.........4
Total Checkins....24
Stations Participating..N0OMC, KC0AMF, WB0QYA, N0KQX, N0OXQ AC0E, KD0CYE, KE5IQL, K0EQH

We welcome KD0CYE, Xyl of AC0E, Just got her ticket. We have a lot more new hams in the 6th, trying to get them active.

We ask all to keep John, KC0IVP, in their thoughts and prayers, he suffered a severe stroke and is at Wesley Medical Rehab Center in Wichita. We wish him a rapid recovery and to rejoin us soon.

Rod Hogg
K0EQH, NCS

♦ District 2 Zone F Had 4 weekly nets on the McPherson 147.330mhz repeater with a total of 29 checkins. During the net on the 10th of Feb. we experienced a band opening that allowed KC0SDO from Hill City and KC0WHI in Derby to checkin.....thanks for listening for us out there.
WD0EUF Stan

4 nets = PSK 31 SATERN
4 nets = simplex packet
Johnson County ARES members spent February getting prepared for storm season. Many attended training by the NWS and JOCO ECS to be ready in case disaster strikes. We are also working with many other groups in the metro area to conduct an urban search and rescue drill on March 22 at the former Baptist Medical Center building. This should be an exciting new test, and an opportunity to find ways to improve our capabilities when in support of SAR.

The ham classes continue, with two more opportunities coming up in the next few weeks. If you know of a public safety professional, or anyone who would benefit from having a license, please send them to www.hamclass.org for more info and to signup.

Finally, my congratulations to JD and all the folks who helped get House bill 2805 passed in the house. At the time of this writing, we still are only halfway, as we have to get through the Senate, but I am optimistic....call your Senator and make sure they know how much you do for your served agencies, and why your antennas are important in that service!
