Hi gang, I just want to let the DECs know their reports to our SEC are welcome in this publication. I say this cuz I forgot to invite you when I started publishing the ECs reports. So I invite you to CC me when you send your monthly activity report to Bob. It will make Kansas ham radio look even better than it does. Two of our ARRL staffers are readers, make me look gud, CC me. I found I had some space at the end so have a photo of my 1955 shack 4 U 2 eye-ball................ Orlan

ARRL KS SECTION EMERGENCY COORDINATOR - Bob KØBXF
ARES ACTIVITY MARCH 2009

KANSAS showing only a total of 520 Amateur Radio operators signed up to participate in Emergency Communications effort from a possible total of over 7000 who are sporting a Ham call.

Something must be missing in our recruiting effort of new hams to be ready, should the need of their extra effort be sought.

This month I am going to concentrate on a specific Zone in requesting someone to step forward and be that person who will assist in coordinating the ham effort in Crawford and Cherokee Counties.

The old Pittsburg Amateur Radio club is, as I understand it, now not functioning. Surely not everyone jumped over the state line to get lost in the Joplin effort to show what Kansas Hams can do when called on.

Maybe no one within the limits of Zone 4F is reading the KAR publication, editor W0OYH! Maybe no one is checking the Kansas News put forth by our SM, KB0DTI! Maybe there are no more HAMS in Crawford and Cherokee counties. My last count showed over 130 calls listed, of course I know several have since became Silent Keys but lets say I should receive at least 100 messages real soon giving me the real poop on Zone 4F

17 EC Zones reporting, March activity. Listed ARES 131 nets called throughout the state. 1234 QNI and 31 messages handled. The most active zone reporting is 4A, Johnson County, EC KC0BS followed by Zone 4C, Leavenworth County, EC KC0JJCQ.

73 from KØBXF Bob Summers, May 1, 2009
ARRL Section Emergency Coordinator KANSAS

DEC  District 2 - Sid NØOBM – Salina, Ks.

Just a short note to say "Thank You" to all of you who Volunteered to get up far too early on a Saturday Morning, the Day before Easter. While it’s too soon yet to have received an "Official" Thank You from the Eisenhower Marathon Staff, I do know that they appreciated your efforts. I know I did.

As always, it was a learning experience, and every time we learn something new - either about our capabilities, limitations, or equipment. Even if you are driving a newer Car (or Truck), it just might be handy to have a set of Jumper Cables - "Just-in-Case". Our "dead Battery" this time out proved out to be a corroded connection to the battery terminal - Not a dead battery or defective charging system, so the "repair" was a low cost (thankfully) repair, and no one had to buy a Battery for the Marathon.

Eisenhower Marathon 2009 Results:

Full Marathon  175 Completed course Winner # 171 Age: 32  Time 2:33:51.1
1/2 Marathon  227 Completed course Winner #1203 Age: 21 Time 1:09:40.6
10K Run        85 Completed course Winner # 214 Age: 34  Time  34:46.1
5K Run         69 Completed course Winner #3066 Age 47 Time 19:39.2

Last place finishers below
Full Marathon   #134 Age 75 Time 6:52:40.2
1/2 Marathon   #1177 Age 81 Time 6:23:05.9
10K Run        #221 Age 19 Time 2:17:48.5
5K Run         #1066 Age25 Time 1:20:52.1

556 Entries finished the Race course. Shortest time was the 5K winner, Longest time was the Full Marathon tail ender at 6 Hours 52 Minutes 40.2 Seconds (and at 75 years young no less).
Thanks go out to the entire Crew:
KA0LTQ, KD0EDF, KC0KCO, N0BKY, KC0IVR, KC0IVQ, N0YBR, KD0FRP, WB0WTM,
WA0JFC, N0XRS, W0ME, N0ORS, & N0OBM.

Total Man-Hours invested in set-up (15 Man-Hours), running (112
Man-Hours), and tear-down (9 Man-Hours) = 144 Man-Hours
Frequencies used:
N0SLN Portable repeater 443.0250+  118.8 Hz tone access
W0TEA Repeater Abilene 143.330-  
Simplex 146.550

Once again, THANK YOU! for your help and support for this event!

Sid Ashen-Brenner  N0OBM
District Emergency Coordinator, North Central Kansas

Guys,
Perusing through the list of 2009 ARRL Scholarships, I find that there
are some young Kansas hams that ought to be recognized.

The Irvine W. Cook WA0CGS Scholarship ($1000) was awarded to Scott
Durham, KC0QIL of Shawnee, Ks.
One of the Four winners of the Dayton Amateur Radio Association
Scholarship ($1000) was our own Emily Steward, KC0PTL of Leavenworth, Ks.
The Ray, N0RP, and Katie, W0KTE, Pautz Scholarship ($1000) was awarded
to Timothy Sell, KD0BKE, of Topeka, Ks.

And a Scholarship that was started by a Fine Kansas coupe:
The Paul & Helen L. Grauer Scholarship ($1000) was awarded to Kerry
Manderbrach, KØXOK, of St. Louis, Mo.

Congratulations are in order to all of these fine youths - as well as
all of the other Scholarship winners.

Sid Ashen-Brenner  N0OBM
Associate Adviser Venturing Crew 2211, Salina, Ks.

Public service event season has gotten a great kickoff so far in 2009, with lots more to come in the following weeks.

K0NK presented an excellent seminar on how antennas work at the April meeting.

At the upcoming meeting ARES will conduct some mutual aid training with SATERN so that our members understand the form and function of the SATERN organization, as well as some hand on with the SATERN comm & generator trailers.
