Stations participating: N0KQA, N0OXQ, K0BAJ, N0OMC KD0COW, AC0E,
Our fall SET activity was VERY limited, only a couple of stations participing. Nets were activated and called, but lack of checkins resulted in shutting down after a short time. Propagation played a big part in the inactivity.

SK: Sad to report ham radio lost a great supporter.
Cliff Francis, W0MBP, recently passed away. He was living in Silsbee, TX. Cliff had lived in Garden City in the '70s, was area administrator for Kansas University's outreach office. Had been in Salina later with Kansas Weslyan University.
Cliff was a huge ham radio supporter and had written articles in QST and other journals on antennas and was very big in scouting activities. Had suffered from a long illness battling leukemia.

October wrapped up with the Johnson County Radio Amateurs Club big auction, which offered free CPR certification thanks to KC0ZDS and a workshop on building your own roll up emergency J-Pole antenna. A beautiful fall day had 120 hams enjoying activities including the training, auction and screening of the great ham radio movie "Frequency"

The rest of October was spent prepping for the November SET drill, which was originally scheduled for November 1. However, due to some delays in getting all the hospital ham equipment up and running in all of the 49 are hospitals, the drill has been postponed to December 6th. If you are in Northeast Kansas or any of the KC Metro area be sure to touch base with your EC or KC4WCG directly if you would like to be involved in the drill, or work with the KCHEART program. Its a great chance to help the community, and get your hands on brand new ham gear at the same time! Latest drill information is also at www.mecckc.org

ICS 700 this is the basic overview of the program-
http://www.training.fema.gov/emiweb/is/is700.asp about 45 minutes to an hour to take

ICS 100 this course leads into a little more of the nuts and bolts of the Management and control of the program-
http://www.training.fema.gov/emiweb/is/is100.asp 1 to 2 hours to take

ICS 200 this course is a little more elevated in the procedures and how the system works to branch management teams, this gets into the ICS forms and such.
http://www.training.fema.gov/emiweb/is/is200.asp 1 to 2 hours to take

Flu distribution and Goblin Patrol were both huge successes. Well done to all who participated.
