ARRL Ks Section Emergency Coordinator

Sorry for the short report, Caroline and I have to leave for trip to Ohio. Her brother about to pass away.

ARES activity report for Kansas July activity from the August reporting this Sept 1, 2008.

We had only 9 Zone EC reporting with 95 net sessions and 710 QNI handling 3 QTC.

Army MARS for Kansas reported 489 on air hours of operation and 846 messages handled.

WD0DMV reports RACES net had 8 QNI with Mitchell, Lyon, Elk, Smith, Montgomery Wyandotte and Shawnee counties represented.

KB0WEQ sent along her best to all as she was unable to make the Salina Ham gathering Aug 17. However she is still recruiting membership for the SATERN network.

Printable Ks ARES map. CLICK>>> http://www.cenkares.org/

73, Bob Summers K0BXF ARRL Ks Section Emergency Coordinator

Bob can be found on the 3920 kHz Kansas net at 6:30 PM.

Denny Healzer KC0ZDS - KCHEART

As summer winds down (wait its 91 degrees!) Anyway, we start to think towards the November SET drill. Occuring November 1, this drill will again test Hospital comms preparedness. Many of the 51 hospitals in the KC metro region now have ham radio installed, thanks to JOCO AECKC4WCG’s work through MARC and KCHEART.

Each hospital will be equipped with an 8900, 8800 and will be packet/APRS capable. 15 hospitals in the region will have FT-897’s and SteppIR beams.

The November excercise will be a good test of the new equipment, and with a little luck, it will all be ready by then.

Also playing in the November drill will be the newly relaunched 146.94 repeater. Thanks to the work of WA0VRS, WV0S and the entire K0HAM group, this machine will be the heart of the KCHEART repeater operations for the drill. Located on the former BMA building, it has excellent coverage for the entire metro, and has a coverage radius of about 60 miles for home stations.

Hope to have lots of checkins on the repeater, and LOTS of participants in the November drill. We especially need help from hams to the west of the metro areas. If you are available to participate, be sure to let your County EC know!

JOCO ARES Youth Outreach coordinator, KU0DM, has started the Junior Hams of Kansas net at 7pm on Thursdays on the K0HAM network. Duncan welcomes all participants, especially those under 21 years of age. Please be sure to tell any young ham you know about the net. You can check in on 146.94 in KC, 145.39 in Basehor, 147.315 in Louisburg, 444.900 in Lawrence, or 146.955 in St. Marys. All machines require 88.5 PL.

Duncan is also helping to reactivate K0KU for the School Club Roundup and will help the guys at K0KU host an Open House on October 24. Any young hams interested in helping to operate the K0KU club station should contact him at: ku0dm.ks@gmail.com
