May 12, 2011

Dear Radio Club members and other interested parties.

The time is here again to submit nominations for Kansas Radio Amateur of the year for 2011.

If you have an amateur radio operator in mind who has made significant contributions to the Amateur Radio Community and or to public awareness, we would like to hear from you.

Please remember that if you had a candidate whom you had nominated previously but did not receive the award, please feel free to resubmit their name again.

Nominations and documentation are due to me by 15th of June.

Please remember that all nominations must come from radio clubs.

Documentation should include the activities of the individual that relate to amateur radio, contributions to the amateur radio community and public awareness of amateur radio.

Thank you in advance for your contribution to this program.

Stan Creitz, WA0CCW, Sec/Custodian.
